

Windycrest Memorial Day Long-Distance Race

LDHS 3/5

~~Monday, May 27, 2024~~

Sunday, June 2, 2024

Each year, WSC remembers and honors those who answered the call of service. This year, the annual long-distance race tradition continues and will also be scored as the third race of the Windycrest Long-Distance Holiday Series. The 5-race LD series is a fun way to celebrate the sailing season holidays. Bring your family and friends, break out the boat and take them for fun and memorable day on the lake.

This year the Memorial Day LD race will be a REVERSE START race, (sometimes referred to as follow-the-leader or Pursuit race). The boats will start one at a time based on handicap. The slowest boats start first followed by the faster rated boats. This minimizes congestion and stress at the starting line. The object is to get as far as you can by 3PM. Start no sooner than the time in the table for your class. Course will be three marks (Cove, Causeway, North). Rounding order to be based on wind direction conditions (Posted at Pavilion). Leave marks to the inside of course. Finish place determined by position on the course at 3PM.

(See the attached Start time table)

(Start times adjusted for Sunday racing).

SCORING: 2021 Portsmouth Yardstick Handicap System will be used. Each race day starters will be divided into three fleets: Centerboard, Keelboat Spin, Keelboat Non-Spin. Overall Series scoring will be a boat's top three scores.

PRIZES: Plans are for prizes three deep in three fleets each race day, and the same for the Overall Series winners.

HOLIDAY SERIES NOTES: This series is for a low-key good time. The PRO will attempt to set a course so that most boats will be nearing the cove by the **4PM** finish time. Leading boats may start a second lap if before 4PM. Use these races to understand your boat, learn it's capabilities, and enjoy with your family and friends.
