The Bob Hobock and Rod Tillotson Memorial Spring Open was a great success. Despite the fact that it had rained for three days prior to the regatta eight Windycrest and three out of town boats competed in the event. The weather cleared, a fair wind blew and some close competition between the competitors ensued.

I want to say Thank You to all who helped with this event. You did a great job and I appreciate each one of you.

As I sit here and write this months' Windward article I am flooded with memories of other CSSA Regattas. Mainly what I remember are the people who participated. This month we have had to say good bye to yet another member of our Windycrest Family. Bruce Taylor was always there and ready to help. He will be missed.

The month of June is filled with fun activities so check your calendar and don't miss any of them.

See you on the water

Jo Ann Chandler

Past Commodore

**Rear Commodore's Report**

Junior Sailing Camp starts June 14th, with sixteen kids signed up. The lake level is 3' above normal and the water is a little more cloudy than usual. It should be a good camp.

SEA training starts June 17th, with five adults signed up. It has been quite humid during the day, but evenings have been very nice at WSC.

Advanced camp at the end of the month is a little thin, but if some of the junior sailors come out, Ian Jones may have some competition.

The boats are ready, we have plenty of instructors for those that have signed-up, the lake level is good and now let's pray for good weather. It's going to be a good year.

I will report the progress next month.

Doug Lewis, Rear Commodore

**A Reminder From Your Treasurer**

Part B dues were billed on May 4 and are due on or before July 1. If you have not sent in your check, remember that late fees will accrue for any payment not postmarked by July 1.

Bruce Wayne Taylor

Bruce Wayne Taylor sailed away at high noon on Thursday, May 27, 2010. The winds were fair and steady. Bruce was born February 7, 1941 in Bartlesville, Oklahoma, to Kendal and Ethel Taylor. He is survived by his wife and first mate, Sandye Taylor of Tulsa, son Alan Taylor of Lee Vining, California, daughter Tiffany Wiley and son-in-law Steve Wiley of Tulsa, grandchildren Ruby Grace and Johnny Blue, who loved their Papa. He is also survived by his mother-in-law Cecelia Hammer, his sister- and brother-in-law, Sherry and

Michael Staires, his brother Doug and extended family Jim and Elke Leach. He leaves behind many loved family members including his nieces and nephews. Bruce and Sandye were blessed with friends from the places they lived and their extensive activities, especially the Windycrest Sailing Club, where Bruce is a past Commodore. Bruce retired from AT&T in 1989, which gave him time to enjoy his family. His early retirement was an additional blessing to the family, as it gave him an opportunity to provide loving care for various relatives. In addition to sailing he and Sandye were able to enjoy their times at the beach house in Matagorda, Texas, the South San Juan Mountains in Colorado, the Eastern Sierra and other shared adventures. The Taylor family would like to give thanks to the many doctors, nurses and caregivers, with special thanks to Sojourn Hospice, for the comfort and support they provided Bruce and his entire family during this difficult journey. Bruce's battle with cancer began in 2004. In 2008 he was told the doctors could do nothing more for him. Bruce sought alternative medicine. He was removed from hospice in May of 2009 and was able to lead a rich and full life until shortly before his death. Services were held at Saint Antony Orthodox Christian Church, 2645 East 6th, Tulsa, at 6 pm on Monday, May 31st followed by a celebration of Bruce's life in the church's hall. The family request that all donations be made in his name to Saint Antony Orthodox Christian Church. This obituary was published in the Tulsa World on 5/30/2010.

Shanty

Work songs sung aboard ship which brightened up the drudgery of hand hauling and also ensured the men all *pulled* their weight together. There were different shanties for different work. Halyard shanties were brisk for the quick but comparatively easy work of hoisting sail. Capstan shanties sung when the anchor was to be hauled aboard were generally slow and sentimental. The custom goes back to the 15th century and a word shanty probably takes its name from the French *chanter*, to sing.

Fleet Captain's Report

We are now through the Spring Series for both Keelboats and Centerboards and the participation continues to be great. There have been quite a few people already traveling to regattas and I am glad to see people representing Windycrest.

The Memorial Day Brunch went very well. The food was delicious, the service was excellent, and I am pretty sure everyone went home more than satisfied. Great job Catalina 22 Fleet! The Memorial Day Long Distance Race did not exactly go as well as the brunch but Mike Choquette did the best he could with a bad situation. With an average wind speed of 1.4 mph, it was not the fastest race but we still had a lot of boats go out for the race and had 7 finish. Thanks Mike for running race committee.

The Independence Day Long Distance Race is coming up next month. Our Jr. Fleet is in charge of this race (It's about time they started doing stuff). The MC Fleet will be putting on the Corn Roast again this year and that always

go well. We are working on getting a band to come out for the 4th to provide some quality entertainment. Of course, we will close the evening with a fireworks display.

Our first ever Jack & Jill Regatta will be July 17th. This is a family oriented regatta. You can bring any combination of family members you would like (father-son, husband-wife, father-daughter-nephew-2nd cousin, etc). They don't have to be Windycrest members either. There will be 3 races which can be as competitive as you want to make them. The fleets will be split up between KBs and CBs. I am planning on having dinner catered afterwards so plan for that. Dinner will be \$5 per person. Please register with me in advance if you can so I can get a head count for dinner. Email me at bittersweetsailr@yahoo.com.

Thank you again for everyone coming out and making Windycrest a great place.

See you on the water,
Stephen

Fried Elliott

By Skeeter Chilton

I don't know if Fried Elliott will get you to a connection with Kevin Bacon, but in less than Six Degrees it will get you numerous connections with WSC and many of the members.

For those of you who remember the 70's and early 80's Fried Elliott was a member of Windycrest Sailing Club. He is brother to Commodore Steve Elliott of Windycrest. Some of you may have met him and visited with him in recent years during his visits to WSC with Steve.

Since Fried left Tulsa and Windycrest he has competed in Snipes and a variety of other boats and is currently living in the Dallas TX area. He no longer actively sails, but is still in the thick of things in competitive sailing. Fried is an accomplished sailing photographer and is the go to guy for the Snipe and Star class major event photography. You may see his photos at <http://friedbits.com/> some of these are amazing. Fried's knowledge of sailing has given him an advantage to catch some of the best photos I have seen of competitors and competition.

For several years Fried has been photographing the Snipe and Star classes plus a few others with many of his photos published in class magazines, sailing vendor catalogs, websites and such. In January Fried was invited to the 29er & 49er Worlds in the Bahamas to photograph the event. From this event Fried was awarded the covers of Sailing World Magazine, March 2010 and Seahorse International Sailing Magazine, March 2010, see attached PDFs, his first cover(s). I just found out today he has been awarded another cover of Seahorse International Sailing Magazine, June 2010 <http://www.seahorsemagazine.com/> So the next time you admire a photo in a catalog, magazine or website check to see if the byline is Fried Elliott.

About the Close/MS Regatta

The first MS Regatta was held by Windycrest Sailing Club in the fall of 1980. Local businesses "sponsored" a Windycrest member's boat. This tax deductible donation entitled the sponsoring company to have representatives participate in the regatta on race day, either as spectators or as actual crew members on a sailboat. The same applies today. Since the Regatta's inception, the event has raised more than \$1,000,000 for the Multiple Sclerosis Society.

Enclosed is our brochure for the Close/MS Regatta. Join us by sponsoring your boat or by having someone sponsor you. This is one way you help to raise money for our MS cause. And remember those great T-shirts you get when you sail in the Close/MS Regatta. Let us know and we will put your name down to sail.

By the end of June we will have had a successful Moonlight Sail with Terry Rainey and all of you who have volunteered your boat for the evening sail. Thank you.

We are planning for a great time at the Launch Party, Thursday, August 19. First donate an item or service of interest for the auction. Remember, we are a high class group so something that is in excellent condition or new. Second, buy your ticket or get in free when you sponsor your boat for the regatta. And third, COME. For your time you will be entertained with great welcoming music, have great snacks, be amazed by the great decorations of Ray Adams, and best of all we will have great auction items for you to bid on, small items all the way up to a boat perhaps!

Our theme is 'OK Corral MS' so you are in for a great Oklahoma time at the Launch Party. We might even have some cowboys in from the ranch to liven up the party.

MC SCOW REPORT ANNOUNCEMENTS

I hope everyone is having a great sailing season. If you haven't made it to the lake this year there is plenty of time left. Summer Series starts June 20th for centerboards. I hope we can get 12 boats on the starting line. The spring series wasn't the greatest but we at least had 5 or 6 boats every Sunday, so thank you, I think our fleet will win the participation award. So overall it has been a great year in the MC Scow fleet. Jim Stinson, My Dad and I had a wonderful trip to Lake Lotawana. It turned out to be a perfect weekend for the second largest MC event this year with 56 boats on the starting line on a lake no wider than our cove. It was awesome. The biggest draw was Andy Fox's Shurr Sails Clinic on Thursday night and Friday morning as well as Eric Hood Zenda U's Clinic on Friday afternoon. Everyone learned quite a bit from these guys it was just as good as the racing. Team Windycrest had two in the top 10, Danny Z. ended up in a three way tie for second, and I believe I was lucky enough to stay in the top pack to finish 10th place overall after a most memorable final race that had more positions changes in it than a damn NASCAR race. By far the best regatta I've been to in years, can't wait to go back next year. Missouri Yacht Club sure knows how to throw a great event. If you have never been-GO!

July 3rd & 10th 10AM Saturday Morning Racing Classes sponsored by the MC fleet

Objective: Teach anyone who wants to learn. We will mainly focus on boat handling, sail trim, starting, and whatever else you would like to learn.

Who is invited? Juniors or Adult who have a boat or in the training programs. I will try to focus on MC's but bring any boat.

Please Contact me if interested.
